MEMORANDUM FOR: Mr. Michael Guhin
Counsellor, U.S. Arms Control & Disarmament Agency

SUBJECT: SSCI Study on Intelligence Enhancements

□

25X1

This is a follow-up to our conversations of the last two days.

I have attached a copy of the current version of the study plan to satisfy a request of the Senate Select Committee on Intelligence. I think you will agree that this is going to be a big challenge.

Moreover, I intend to provide you directly a copy of the first draft of this report, as well as follow-on major revisions.

As we do this study, I very much want to ensure that the views of the Director of ACDA are available. To that end, your Director should feel free to send over his views. You can send them to me; Ken can send them to or Ken can send them to the Acting DCI--as you judge appropriate.

If there is anything more to help you here, please call and let me know.
